About
THE WORKSHOP

HYDERABAD CENTRE

AI in AEC 2027

A national-level technical workshop focused on exploring the transformative role of Artificial Intelligence (AI) in architecture, civil engineering, structural design, construction management, smart infrastructure, automation, and sustainable construction technologies.

The workshop aims to bring together academicians, researchers, industry professionals, practicing engineers, students, and technology innovators to explore emerging AI-driven solutions and their applications in the Architecture, Engineering and Construction (AEC) sector.

About ICI
Indian Concrete Institute

Indian Concrete Institute is one of the leading professional bodies in India, catering to the professional needs of individuals and organisations involved in Concrete. Being a non-profit Organisation, it is dedicated to the cause of Disseminating Knowledge on Concrete, to Promote Concrete Technology and Construction and to address the Research Needs of Concrete. The Genesis of ICI dates back to the year 1982, when SERC Chennai and Anna University jointly conducted an International Seminar on Modern Concrete Construction Practices. The overwhelming response to the seminar prompted the Organisers to start the Indian Concrete Institute. Thus, the ICI was born in 1982 with around 500 members from 5 regional Centres. Since then, there is no looking back and ICI has grown in leaps and bounds. Today ICI is a strong professional body having more than 16,000 enrolled members, from 51 regional Centres in all major cities, spread across the entire length and breadth of the country. Of these, more than 400 are Organisational Members. All segments of cement and concrete industries are widely represented in the membership. To meet the objectives of ICI, the regional Centres conduct varieties of programs like Seminars, Workshops, Conferences, Exhibitions, etc. throughout the year. These are at both National and International level. These events prove to be a unique platform, for all the stakeholders in the concrete industry, wherein Practicing Engineers, Manufacturers, Academics, Consultants and Researchers make their global participation, to discuss the issues, to share their views and experience on the concrete related matters.

PAYMENT DETAILS:

Please Use Block letters and strike out whichever is not Applicable

Name (in Block Letters) .....

Organization .....

Address .....

..... City .....

Pin ..... State ..... Country ..... Telephone .....

(R) ..... Mobile ..... Fax .....

Email .....

Membership Number (For ICI members only) .....

Mandatory for Registration Payments Note : GST shall be additional . Charges incurred from bank transfer will be borne by payee. Kindly Attach the scan copy of remittance slip/MT100/BANK advice if paying through bank transfer.

Registration Payment Link : shall be updated soon

For Bank Transfer

Account Name : Indian Concrete Institute, Hyderabad Center

Account Number : 75780200001865

Bank Name : Bank of Baroda

Branch Name : Film Nagar Branch, Hyderabad

IFSC Code : BARB0VIJUBI (5th letter is Zero)

Pan No. : AAATI0256J

GST No. : 33AAATI0256J1ZX

VENUE DETAILS:

TOURISM PLAZA HOTEL

Address: 3-870, Greenlands, Begumpet, , Hyderabad, Telangana 500016

Seats are limited available on first- paid – served basis. Please register early to avoid disappointment later.
